Stars & Stripes Awardee Criteria

SERVICE MILITARY AWARDEE:

The Military Service Award selectee shall be a senior officer who has served with distinction supporting the Service's efforts in mentorship, diversity, and value based service to the nation and their Service. The selected individual should have served within commands/agencies that have missions to procure, develop, or employ new technologies and systems. Further, the Service selectee should be a personal advocate for advances in STEM and STEM education. Finally, the selectee must have proven himself/herself to be of exemplary character and outstanding ability.

SENIOR EXECUTIVE SERVICE AWARD NOMINEE

The Military Service SES Award Nominee shall be a member of the Senior Executive Service who has served with distinction supporting the Service's efforts in membership, diversity, and value based service to the Nation. The nominated individual should have served within commands/agencies that have missions to procure, develop, or employ new technologies and systems. Additionally, The Service nominee should be a personal advocate for advances in STEM and STEM education. Finally, the nominee must have proven himself/herself to be of exemplary character and outstanding ability.

SENIOR ENLISTED AWARDEE

The Military Service Award selectee shall be a senior noncommissioned officer (NCO) or chief petty officer who has served with distinction supporting the Service's efforts in leadership, mentorship, diversity, and value based service to the Nation and their Service. The selected NCO should have served within commands/agencies that have missions to procure, develop, or employ new technologies and systems. The selectee should be the epitome of success in carrying out the standard of performance, training, and appearance of enlisted personnel. The Service selectee should be a personal advocate for advances in STEM and STEM Education. Finally, the selectee must have proven himself/herself to be of exemplary character and outstanding ability.
