

## CHAPTER 33 (POST 9/11) GI BILL® HOUSING STIPEND

---

The Chapter 33 GI Bill®, includes a housing stipend for those students attending school more than ½ time. Both the Service Member and their spouse however are prohibited from receiving the stipend while the Service Member is serving on a qualifying period of active duty service.

### Requirement

- Enrolled more than ½ time as defined by the school degree program rate of pursuit.

### Identifying Your Rate

For students attending at least 1 course at a school's physical campus, the Chapter 33 housing allowance is based on the BAH rate for an E-5 with dependents for the zip code of the campus they are attending. The DoD online BAH calculator is located at <https://www.defensetravel.dod.mil/site/bahCalc.cfm>.

### Estimating Payments

1. Identify the applicable Chapter 33 tier rate.
2. Using a calculator, enter the appropriate housing stipend.
3. Multiply this amount by the student's rate of pursuit.
  - ¾ -Time Enrollment – 80%
  - Full-Time Enrollment – 100%
4. This is the estimated amount the student should receive from the housing stipend.
  - This is only an estimate. The U.S. Department of Veterans Affairs (VA) will identify the official determination when the Certificate of Eligibility (COE) is issued to the student after they apply to receive benefits.
  - This amount will be prorated for months the student is not attending classes during the entire month (i.e. start date 15 January).
