

CHAPTER 33 (POST 9/11) GI BILL® TUITION & FEES – PUBLIC INSTITUTION

The Chapter 33 GI Bill®, pays tuition & fees directly to the educational institution based on the student's applicable Chapter 33 tier rate.

Estimating Payments

1. Identify the applicable Chapter 33 tier rate.
2. Using a calculator, enter the in-state rate for tuition & fees (1 term only).
 - Out-of-state charges are not covered by Chapter 33.
 - Your school may have a separate table for online students.
3. Deduct any Federal-based aid or assistance (excluding loans & Title IV funds) that are provided directly to the institution and specifically designed strictly for tuition & fees.
 - i.e. \$4,550.30 - \$3,267.50 (Federal Tuition Assistance via GoArmyEd) = \$1,282.80.
4. Multiply this amount by the applicable Chapter 33 tier rate to identify what will be covered.
 - i.e. \$1,282.68 x 0.60 (60%) = \$769.80 (covered by Chapter 33).
5. Using the final amount identified in step 3, subtract what Chapter 33 will cover to identify your out-of-pocket costs.
 - i.e. \$1,282.80 – 769.68 (covered by Chapter 33) = \$513.12 (covered by student).
 - This is only an estimate. The VA will identify the official determination when the Certificate of Eligibility (COE) is issued to the student after they apply to receive benefits.
