

Operation Kids on Guard (KOG)

www.nc.ngb.army.mil

Operation Kids on Guard was started by the NCNG in 2004 as a way to support the emotional and physical well being of our children. The program offers day and overnight weekend drills that provide an opportunity for our “youngest Heroes” to learn about what their military love one does in the NCNG. The program provides an atmosphere that allows children to make new friendships with other children just like them.

Cost is free to Families.
